## Gregory Doroski

Supervisor

[1]

Greg is running for Southold Town Supervisor to preserve our future. Our community needs visionary leaders who feel a sense of urgency, and are able to ask questions, build consensus, broker compromise, and find lasting solutions to preserve our community.

Greg is running for Southold Town Supervisor because our community needs new leadership. It's time to turn the page.

Greg comes from a long line of local farmers, small business owners and community leaders, going back to the founding of our Town. He's an active member and ordained Deacon of the very same Southold congregation his 11th great-grandfather, the Rev. John Youngs helped organize in 1640.

Greg was born and raised in Southold Town. After graduating from Mattituck High School, he left for college and later helped launch and run a successful multi-million dollar business in Brooklyn that created over 50 good jobs.

Greg and his wife Liz and I were fortunate to be able to move their family back home to raise their daughters here in the community they love. He is running for Southold Town Supervisor to ensure that his family and yours enjoy the same opportunity to make a good life – right here - on the North Fork.

As TOWN SUPERVISOR Greg will:

Bring fresh ideas and new energy to solving old problems.

Keep taxes low.

Work across party lines to bring business owners, farmers, fishermen and the public together as partners in the future of our community.

Promote transparency.

Fight for good jobs and housing opportunities.

Protect and enrich our unique environment.

Most importantly: as Southold Town Supervisor, Greg will bring a new style of collaborative and results-driven leadership to our local government.
